Special Education: What Do I Need to Know?

Special education is instruction designed specifically to meet the requirements of children with special needs. It is provided in the most appropriate setting for the children and at no cost to parents or families.

This workshop for parents of children with special needs and for professionals will cover topics such as:

- Why is it important for parents to be involved?
- How can I work effectively with the school?
- What do I need to know about the evaluation process?
- How do we make the Individualized Education Program (IEP) fit the child?
- How do special education and regular education work together?

Directions to PACER Center

From I-494, take the Normandale Boulevard exit south to 84th Street; turn left. Take the next left onto the frontage road. PACER Center is a one-story brick building immediately north of the bridge. Turn right into the parking lot. Enter on the north side of the building.

**Thursday, March 18, 2010
6:30 to 8:30 p.m.**
